

Edutainment at Sam's Fun City!

Sam's Fun City, in consultation with the Gulf Coast Home School community, is offering a new and exciting series of education and entertainment programs designed to enrich the homeschool experience.

Examples of Educational Programs:

- Introduction to Simple Machines (Science)
- Where Does the Ticket Money Go? (Business)
- Light and Heat (Science)
- Food and Health (Life Style)
- Rocks and Minerals (Geology)
- History of Mardi Gras (History)
- Team Building (Sociology)
- Newton's Laws (Science)
- How Yeast Rises (Science)

Examples of Entertainment Programs:

- Mini-Golf Tournament
- Laser Tag games
- Arcade ticket challenge
- Mini bowling challenge
- Go-Kart obstacle course
- Amusement Ride fun
- End of School Year water park party (optional)

Schedule

Each month Sam's Fun City will hold between 4-8 sessions with half of the session focused on education and the other half focused on recreation/entertainment. The sessions will be approximately 2.5 hours long and generally will start at 10:30 am, and provide for a half hour lunch break. (See preliminary schedule). Generally, sessions will be held on Thursday and Friday.

Pricing

- All regular sessions will be offered at a fixed price of \$11 per session
- “Little One” Fun is a program designed for preschoolers. We will offer an individual play pass and child care monitoring for 1.5 hours for only \$6 per child
- Lunch will be served for only \$4 each child and \$6 each adult

School term passes as well as multi-student discounts will be offered for 6, 12 or 18 sessions at family friendly rates!

Number of students	6 sessions	12 sessions	18 sessions
1	\$49.99	\$89.99	\$129.99
2	\$89.99	\$169.99	\$169.99
3	\$129.99	\$249.99	\$369.99
4	\$169.99	\$329.99	\$489.99

*For families with more than 4 children please see management for additional pricing information. Activity days may consist of additional materials fees.

Prices, schedules, and activities are subject to change without advanced warning.
